ORCHESTRA

The Camas High School orchestra, under the direction of Mr. Wayne Moffitt, has played at various school and community activities.

New instruments which have been purchased by the members add to the volume and harmony of the orchestra. This year many students are learning to play several different instruments.

A stringed sextette has been formed under the direction of Miss Winifred Knox and has made several appearances. The members are: Lilian Cooper, Ruthe Olds, Margaret Salisbury, Vera Hodge, Florence Wade, and Jeanette Arvidson.
